Any person who has obtained a moose or bighorn sheep or goat license but did not take an animal for which such license was issued, shall be eligible to apply for another license in any succeeding year if he returns his unused license to the Fish and Game Commission at the time application is made.

Exception: Any person who has killed a sheep in an unlimited area from or after January 1, 1971, shall be ineligible to apply for a sheep license in any sheep area for the next succeeding seven years.

Applications for \$35.00 antelope licenses must have a post office cancellation date on or before July 1, 1975 to be entered in drawings.

MAKING APPLICATION, Etc.

It is prohibited to submit more than one application for any game license.

Applications must be made on forms available from license agents or offices of the Fish and Game Department. Applications to enter sheep, moose, goat and antelope drawings must have a post office cancellation date on or before July 1, 1975. Applications for bighorn sheep licenses in districts 301, 500, 501 and 502 must have a post office cancellation date no later than August 31, 1975.

Persons applying for special licenses must be at least twelve (12) years of age at the time of application and must have completed required firearms safety training.

FIVE YEAR PREFERENCE

Persons who have applied five consecutive years for moose, sheep or goat licenses and were unsuccessful will receive preference in respective drawings if rejection slips accompany applications.

License fees must accompany all applications for licenses in the form of money orders, cashiers checks, or bank drafts. Personal checks will not be accepted.

Antelope applicants who did not hold an antelope license in 1974 will be given preference in the 1975 antelope drawings.

No more than 10 percent of the total antelope, sheep, moose, or goat licenses allowed for each district may be issued to nonresident applicants during any single license year. If the quota of antelope, moose, sheep, or goats in a district is less than 10, then nonresidents will not be issued licenses for that district.

HUNTING HOURS

The Montana Fish and Game Commission has adopted and published Sunrise-Sunset Tables for determining hunting hours, (Revised, 1965). These tables are based on Mountain Standard Time. During periods that Daylight Savings Time is in effect, one (1) hour should be added to time indicated in the tables in order to determine proper hunting hours.

Open season for hunting shall be one-half (1/2) hour before sunrise until one-half (1/2) hour after sunset on each day as indicated by dates for each game district and Sunrise-Sunset Tables.

CALIBER

There are no caliber limitations.
It is prohibited to use any poisonous, explosive or deleterious substances or in any arrowhead, bullet or projectile.

CLOSED AREAS

The entire state shall be closed to the hunting of all big game animals except as specified under the numbered district regulations. To insure a proper harvest of game, seasons may be closed on two days' notice or if necessary may be reopened.
All state game preserves and state parks and recreation areas shall be closed as posted.

GAME TAGS

Immediately after killing a game animal you must properly tag the game animal as directed on the tags.

GUIDE LAW

The status of Montana's law requiring most big game hunters to be accompanied by a guide is under consideration by the Supreme Court. Pending a Supreme Court decision, the law is unenforceable.

IT IS UNLAWFUL TO:

hunt or take any game animal without having a valid license on your person;
transfer your license or use any license or tag issued to another person;
shoot game animals on or from any public highway;

shoot or attempt to shoot game animals with the aid of artificial light;
shoot game animals or birds from an automobile or other self-propelled vehicle;

for persons under twelve (12) years of age to purchase hunting licenses and hunt game;

to use firearms in any manner in the hunting and/or killing of any game animal during an archery season;

to hunt game animals or game birds or to carry or discharge firearms or create any other unlawful disturbance in any legislative or Fish and Game Commission created game preserve;

to purchase more than one of the same kind of game license during one license year;

to use a self-propelled vehicle to concentrate, drive, rally, stir up or harass game, or fur-bearing animals.

With the exception of archers during special archery seasons, it shall be unlawful for any person to hunt big game animals or to accompany any hunter as an outfitter or guide without wearing exterior garments above the waist totaling not less than four hundred (400) square inches of hunter orange material, visible at all times while hunting.

Unless you have permission, it is a misdemeanor, punishable by fine or imprisonment or both to hunt on the enclosed land of another or to destroy any fence or other enclosure for the purpose of entering on the land of another.

VEHICLE TRAVEL RESTRICTIONS

Hunters must not drive off established roads or trails except to get big game that would otherwise be difficult to retrieve. Vehicles retrieving game must take the shortest routes to and from established roads or trails.

For further travel restrictions on federal and private land, check with the appropriate agency or landowner.
